01 | COMPANY OVERVIEW

About ICE

YOUR B2B SOURCING PARTNER FOR INDUSTRIAL & GENERAL SUPPLIES

ICE – International Center for Export is a procurement and supply partner based in Alexandria, Egypt, providing reliable sourcing and supply solutions for industrial supplies, general supplies and project requirements.

We support factories, contractors, facility management teams and government entities with a wide range of products from trusted local and international suppliers.

OUR MISSION
To provide reliable, cost-effective and efficient sourcing solutions that help our clients keep their operations running smoothly.

OUR VISION
To be a trusted B2B supply partner in Egypt and the region for industrial and general supplies.

OUR APPROACH
Understand your requirements → Source from trusted suppliers → Provide competitive quotations → Support until delivery and after-sales.

04 | WHY WORK WITH ICE

Your Reliable Sourcing Partner

We help factories, contractors, facility management teams and government entities source high-quality industrial and general supplies from trusted local and international suppliers.

01
Trusted Suppliers
We work with reliable local and international suppliers to ensure quality, availability and competitive pricing.

02
Wide Product Range
Industrial supplies, general supplies and project materials across multiple categories and industries.

03
Competitive Quotations
We provide competitive quotations based on your specifications, equivalent alternatives and project requirements.

04
Project & Site Support
We support project teams with timely supply, coordination and delivery to site, including urgent requirements.

05
Responsive Communication
Direct and clear communication through email, phone and WhatsApp for fast follow-up and updates.

06
Long-Term Partnership
We aim to build long-term relationships by understanding your needs and supporting your ongoing operations.

KEY INDUSTRIES WUPPORT

05 | SYMBOLS & DEFINITIONS

Symbols & Definitions

Common symbols, standards and terms used in this catalog to help you quickly understand product specifications.

1. COMMON PRODUCT SYMBOLS

Dimensions
Length, width, diameter, height

Material
e.g. Steel, SS, PVC, Rubber, Brass

Pressure Rating
e.g. PN, Bar, PSI

Temperature Rating
Min / Max operating temperature

Voltage Rating
e.g. 230V, 400V

Current Rating
e.g. 10A, 16A, 25A

Flow Rate
e.g. L/min, m³/h

Weight
e.g. kg, g

2. CERTIFICATIONS & STANDARDS

ISO
International Organization for Standardization

ASTM
American Society for Testing and Materials

DIN
German Institute for Standardization

EN
European Standard

IEC
International Electrotechnical Commission

UL
Underwriters Laboratories

CE
European Conformity

RoHS
Restriction of Hazardous Substances

3. COMMON ABBREVIATIONS

BSP	British Standard Pipe (thread)
NPT	National Pipe Thread (thread)
PN	Pressure Nominal (bar)
SS	Stainless Steel
CS	Carbon Steel
GI	Galvanized Iron
PVC	Polyvinyl Chloride
CPVC	Chlorinated Polyvinyl Chloride
PTFE	Polytetrafluoroethylene (Teflon®)
EPDM	Ethylene Propylene Diene Monomer
NBR	Nitrile Butadiene Rubber
LPG	Liquefied Petroleum Gas
HVAC	Heating, Ventilation and Air Conditioning
MRO	Maintenance, Repair & Operations
PPE	Personal Protective Equipment

4. UNITS OF MEASUREMENT

mm	Millimeter
cm	Centimeter
m	Meter
inch (")	Inch
bar	Pressure (bar)
psi	Pressure (pounds per square inch)
°C	Degree Celsius
°F	Degree Fahrenheit

kg	Kilogram
g	Gram
L	Liter
m³	Cubic meter
L/min	Liter per minute
m³/h	Cubic meter per hour
V	Volt
A	Ampere
kW	Kilowatt
HP	Horsepower

5. COMMON TERMS

Size	Nominal size or actual dimension of the product.
Rating	Maximum operating limit (pressure, temperature, etc.).
Material Grade	Type and specification of material used.
Application	Typical use or industry application.
Equivalent	Alternative brand/product with similar specification.
Lead Time	Estimated time for supply or delivery.
MOQ	Minimum order quantity.

CLEAR SPECIFICATIONS.
BETTER SOLUTIONS.

Helping you get the right product,
with the right standard, for the right application.

06 | DIVISION 01

Electrical Supplies Core Families

Power, control and distribution components for industrial, commercial and infrastructure projects. Final make, standard, size and quantity are confirmed at quotation stage.

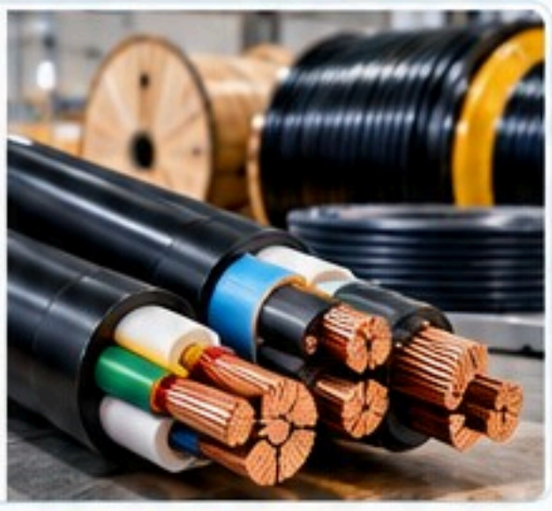

RELIABLE COMPONENTS FOR SAFE & EFFICIENT OPERATIONS

ELE-001

Power & Control Cables

Low and medium-voltage power cables, control cables, instrumentation cables and specialty cables.

ELE-002

Cable Glands

Metallic and polymer cable glands, reducers, adapters and accessories (IP-rated).

ELE-003

LV Circuit Breakers

MCBs, MCCBs, ACBs and protection devices to project specification.

ELE-004

Contactors & Overloads

Contactors, thermal overload relays, motor protection switches and accessories.

ELE-005

Industrial Plugs & Sockets

Industrial connectors and socket systems (IP44/IP67) for site and plant use.

ELE-006

Cable Lugs & Terminations

Lugs, ferrules, terminals, heat shrink products and cable termination accessories.

ELE-007

Distribution Boards

Enclosures, distribution boards, panel accessories, busbars and low-voltage assemblies.

ELE-008

DIN Rail Components

Terminal blocks, relays, modular devices, power supplies and control components.

QUALITY COMPONENTS | TRUSTED BRANDS | COMPETITIVE PRICING | SUPPORT UNTIL DELIVERY

07 | DIVISION 01 – ELECTRICAL **SUPPLIES**

Additional Product Families

Further electrical supplies for industrial, commercial and infrastructure projects. Final make, standard, size and quantity are confirmed at quotation stage.

COMPLETE ELECTRICAL SOLUTIONS FOR YOUR PROJECTS

ELE-009

Conduits & Trunking

PVC, flexible and metallic conduits, cable trunking, cable trays and accessories.

ELE-010

Switches & Sockets

Industrial and commercial switches, sockets, isolators and panels (IP-rated).

ELE-011

Lighting & Accessories

LED industrial lighting, flood lights, high bay lights, lamps and lighting accessories.

ELE-012

Earthing & Lightning Protection

Earthing materials, lightning protection systems and accessories.

ELE-013

Control & Signaling Devices

Push buttons, indicator lamps, pilot lights, selectors, buzzers and control stations.

ELE-014

Cable Management

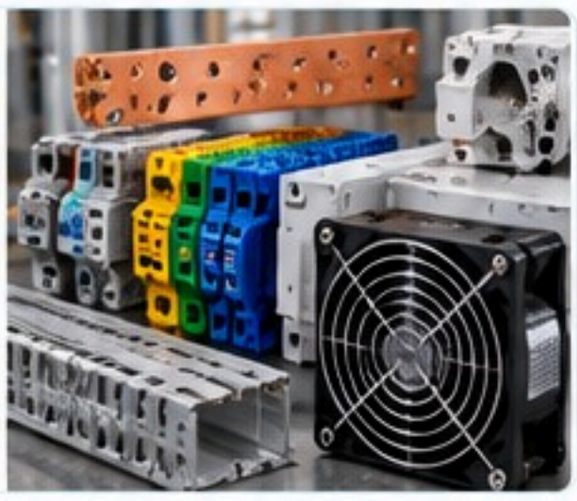

Cable trays, ladders, supports, clamps, ties, markers and management accessories.

ELE-015

Panel Accessories

Busbars, terminals, cable ducts, gland plates, fans, filters and other enclosure accessories.

ELE-016

Power Quality & Monitoring

Energy meters, power analyzers, surge protection devices (SPD) and electrical monitoring solutions.

QUALITY COMPONENTS | TRUSTED BRANDS | COMPETITIVE PRICING | SUPPORT UNTIL DELIVERY

02 | DIVISION 02

Safety & PPE

Personal protective equipment and safety solutions for industrial, construction and infrastructure projects. Final make, standard, size and quantity are confirmed at quotation stage.

PPE-001

Head Protection

Safety helmets, bump caps and head protection accessories (EN / ANSI).

PPE-002

Eye & Face Protection

Safety glasses, goggles, face shields and welding helmets.

PPE-003

Hearing Protection

Earplugs, earmuffs and hearing protection solutions for industrial environments.

PPE-004

Respiratory Protection

Dust masks, half & full face respirators, cartridges and filters (e.g. 3M, Honeywell).

PPE-005

Hand Protection

Safety gloves for general purpose, cut resistance, chemical resistance, heat and welding.

PPE-006

Foot Protection

Safety shoes and boots with steel/composite toe, anti-slip and special applications (S1/S2/S3).

PPE-007

Workwear & Hi-Vis

Coveralls, jackets, high visibility vests, rainwear and protective clothing.

PPE-008

Fall Protection

Safety harnesses, lanyards, anchorage systems and height safety equipment.

KEY APPLICATIONS

- Factories & Manufacturing
- Construction & Contractors
- Maintenance & Shutdowns
- Oil, Gas & Energy Projects
- Facilities & Real Estate

08

Safety & PPE

Personal protection equipment for safe and compliant workplaces. Final make, standard, size and quantity are confirmed at quotation stage.

Safety Helmets

- Industrial safety helmets (Type I/II)
- Adjustable suspension
- Various colors and accessories
- Compliant with international standards

Safety Glasses & Face Protection

- Safety glasses and goggles
- Face shields
- Welding helmets
- Anti-scratch / anti-fog options

Hearing Protection

- Ear plugs (disposable & reusable)
- Ear muffs (industrial)
- Noise reduction solutions
- Various NRR ratings

Respiratory Protection

- Dust masks (N95, FFP2, FFP3)
- Half & full face respirators
- Cartridges and filters for gases, vapors and dust
- Industrial breathing solutions

Hand Protection

- Work gloves (cut, chemical, heat and general purpose)
- Leather, nitrile, latex, PU options
- Key applications: construction, industrial, maintenance

Safety Footwear

- Safety shoes and boots (S1, S3, ESD, SRC, etc.)
- Steel/composite toe options
- Anti-slip and oil-resistant soles
- For industrial and construction use

High-Visibility Clothing

- Hi-Vis vests, jackets, coveralls
- Weather protection wear
- Multiple colors and sizes
- Compliant with EN ISO 20471

Fall Protection

- Safety harnesses and lanyards
- Shock absorbers and lifelines
- Anchorage and connectors
- Complete fall protection systems

Safety Accessories

- Traffic cones and barriers
- Safety tapes and signage
- First aid kits and stations
- Emergency showers and eye wash stations

Workplace Safety Solutions

- Site safety kits
- Fire safety equipment
- Spill control products
- Safety storage cabinets
- Custom solutions upon request

09

Tools & Test Equipment

Hand, power and test equipment for industrial and maintenance applications. Final make, standard, size and quantity are confirmed at quotation stage.

Hand Tools

- Wrenches, screwdrivers, pliers, hammers
- Cutters, pipe tools, clamps
- Tool sets and tool kits
- Mechanic, electrician and general purpose tools

Power Tools

- Drills, rotary hammers
- Grinders, saws, impact tools
- Sanders and polishers
- Cordless and corded options
- Accessories and spare parts

Measuring & Test Equipment

- Multimeters and clamp meters
- Insulation testers
- Electrical testers and detectors
- Laser distance meters
- Environmental instruments

Tool Storage & Accessories

- Tool boxes and tool bags
- Trolleys and storage cabinets
- Organizers and cases
- Workbenches and stands
- Bits, blades and accessories

Cutting, Drilling & Grinding

- Cutting discs and grinding wheels
- Drill bits, hole saws, core bits
- Saw blades and accessories
- Metal, concrete and wood applications

Welding & Soldering Tools

- Welding machines (MMA, MIG, TIG)
- Electrodes, welding wires
- Soldering irons and stations
- Welding accessories and PPE
- Gas regulators and consumables

Air Tools & Compressors

- Pneumatic tools (impact wrenches, nailers, etc.)
- Air compressors
- Air hoses, reels and fittings
- Accessories and consumables

Tool Accessories & Consumables

- Drill bits, screwdriver bits
- Blades, chisels and cutters
- Abrasive products
- Lubricants and cutting fluids
- Other consumables

QUALITY COMPONENTS | TRUSTED BRANDS | COMPETITIVE PRICING | SUPPORT UNTIL DELIVERY

10

MECHANICAL SUPPLIES & FASTENERS

Mechanical components and fixing solutions for industrial and construction applications. Final make, standard, size and quantity are confirmed at quotation stage.

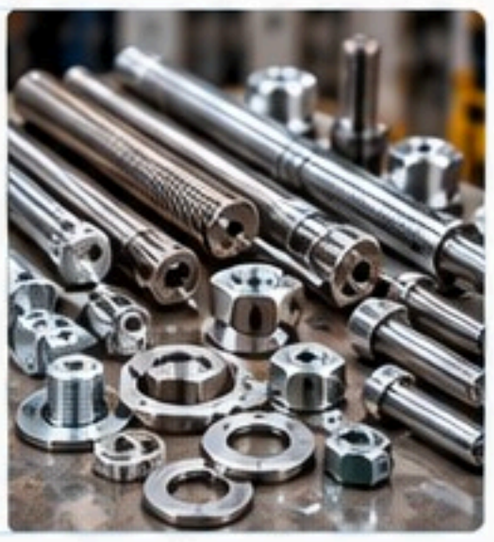

Bearings & Power Transmission

- Ball, roller and tapered bearings
- Mounted units and housings
- Chains, sprockets and pulleys
- Belts (V-belts, timing belts)
- Couplings and shaft components

Fasteners & Fixing Materials

- Bolts, nuts, screws and washers
- Threaded rods and studs
- Anchors and chemical fixings
- Rivets, pins and clips
- Stainless steel and galvanized options

Pipes, Fittings & Valves (Mechanical)

- Steel, stainless steel, GI and PVC pipes
- Pipe fittings (elbows, tees, reducers)
- Gate, globe, ball and butterfly valves
- Flanges and gaskets
- Steam and pressure fittings

Gaskets & Sealing Materials

- Gaskets (rubber, PTFE, graphite)
- O-rings and sealing rings
- Mechanical seals
- Packing materials
- Sealants and thread seal tapes

Pipe & Steel Supports

- Pipe clamps and hangers
- U-bolts and support channels
- Strut systems and brackets
- Vibration isolation products
- Custom support solutions

Flanges & Pipe Components

- Flanges (WN, SO, BL, Slip-on)
- Flange gaskets and bolts
- Blind flanges and spectacle blinds
- Expansion joints and bellows
- Custom fabricated components

Other Mechanical Components

- Shafts, couplings and keys
- Springs and vibration control
- Bushings and sleeves
- Linear motion components
- Industrial hardware and spares

Hoisting, Lifting & Rigging

- Wire ropes and slings
- Shackles, hooks and turnbuckles
- Lifting belts and chains
- Anchoring and rigging hardware
- Safety accessories for lifting operations

QUALITY COMPONENTS | TRUSTED BRANDS | COMPETITIVE PRICING | ON-TIME DELIVERY | SUPPORT UNTIL DELIVERY

11

PUMPS, PLUMBING, HOSES & FLUID HANDLING

Reliable products for water, fluids, compressed air and industrial applications. Final make, standard, size and quantity are confirmed at quotation stage.

Water Pumps & Booster Systems

- Centrifugal pumps
- Submersible pumps
- Booster pumps and systems
- Fire pumps (UL/FM options)
- Spare parts and accessories

Valves & Flow Control

- Gate, globe, ball and check valves
- Butterfly valves
- Control and pressure reducing valves
- Solenoid valves
- Flanges, actuators and accessories

Pipes & Pipe Fittings (Plumbing)

- uPVC, PPR, HDPE and GI pipes
- Elbows, tees, couplings and reducers
- Threaded and socket fittings
- Compression fittings
- Pipe supports and clamps

Hoses & Flexible Connections

- Industrial hoses (water, air, oil, chemicals)
- Hydraulic hoses and fittings
- Steam and high-temperature hoses
- Composite hoses
- Flexible connectors and expansion joints

Tanks, Vessels & Water Storage Solutions

- PE and GRP water tanks
- Pressure tanks and expansion tanks
- Stainless steel tanks
- Chemical storage tanks
- Accessories and level indicators

Filtration & Water Treatment

- Sand and cartridge filters
- Industrial filtration systems
- Water softeners and RO systems
- Filter housings and cartridges
- Spare parts and consumables

Air Distribution & Piping Systems

- Compressed air pipes (Al, GI, PPR)
- Fittings and connectors
- Air treatment units (FRL)
- Air dryers and filters
- Distribution manifolds

Fluid Handling Accessories

- Flow meters and gauges
- Strainers and foot valves
- Level sensors and controllers
- Quick couplings and camlocks
- Nozzles, reels and dispensing equipment

QUALITY COMPONENTS | TRUSTED BRANDS | COMPETITIVE PRICING | ON-TIME DELIVERY | SUPPORT UNTIL DELIVERY

12

HVAC & Facility Maintenance

HVAC equipment, ducting, insulation and facility maintenance supplies for commercial, industrial and construction projects.
Final make, standard, size and quantity are confirmed at quotation stage.

HVAC Equipment

- Chillers and AHUs
- Fan coil units (FCU)
- Air handling units
- VRF/VRV systems
- Split and package AC units

Ducting & Ventilation

- GI ducts and fittings
- Flexible ducts (insulated / non)
- Duct accessories (dampers, grilles, diffusers)
- Ventilation fans (axial, centrifugal)
- Louvers and air terminals

Insulation Materials

- Thermal insulation (rockwool, glasswool, elastomeric)
- Insulation for HVAC ducts & pipes
- Acoustic insulation
- Insulation tapes and accessories
- Fire-rated insulation options

Refrigeration Components

- Compressors and condensers
- Evaporators and coils
- Refrigerant gases (R410A, R32, R134a, R404A, etc.)
- Expansion valves and controls
- Spares and accessories

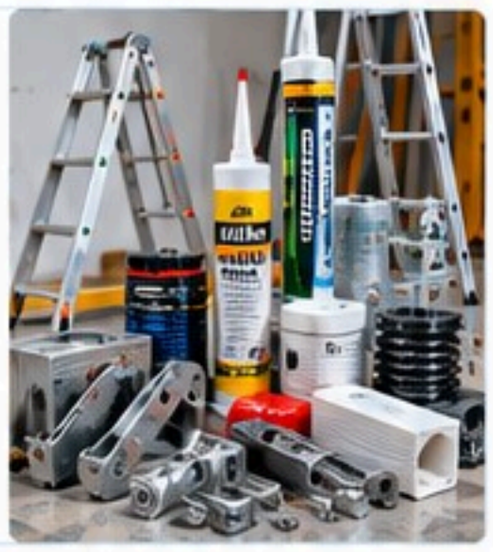

Fans & Air Movement

- Exhaust and supply fans
- Inline and centrifugal fans
- Axial fans
- Industrial ventilation fans
- Fan accessories and speed controllers

Facility Maintenance Supplies

- Ladders and access equipment
- Sealants, tapes and adhesives
- MEP maintenance consumables
- Brackets, clamps and hangers
- General building maintenance supplies

Filters & IAQ Products

- Air filters (pre, fine, HEPA)
- Filter housings and frames
- Activated carbon filters
- Air purification solutions
- Cleanroom and specialized filters

HVAC Accessories & Spare Parts

- Thermostats and control systems
- Sensors and actuators
- HVAC belts, bearings and motors
- Electrical components
- Miscellaneous spares and consumables

QUALITY COMPONENTS | TRUSTED BRANDS | COMPETITIVE PRICING | ON-TIME DELIVERY | SUPPORT UNTIL DELIVERY

13

LUBRICANTS, CHEMICALS, PAINTS & SEALANTS

Industrial lubricants, maintenance chemicals, paints and sealants for manufacturing, construction and facility management. Final make, standard, size and quantity are confirmed at quotation stage.

Industrial Lubricants & Oils

- Engine oils and gear oils
- Hydraulic oils
- Compressor and turbine oils
- Greases and specialty lubricants
- Food grade and high temperature lubricants

Industrial Chemicals

- Cleaning and degreasing chemicals
- Water treatment chemicals
- Boiler and cooling tower chemicals
- Process and industrial chemicals
- Solvents and thinners
- Adhesives and industrial glues

Paints & Coatings

- Architectural and industrial paints
- Epoxy and polyurethane coatings
- Anti-corrosion coatings
- Floor coatings and line marking paints
- Marine and high-temperature coatings

Sealants, Adhesives & Bonding Materials

- Silicone sealants
- Polyurethane (PU) sealants
- Epoxy adhesives
- Construction sealants
- Thread seal tapes and compounds
- Specialty industrial adhesives

Corrosion Protection

- Anti-rust and rust converters
- Zinc-rich primers
- Protective coatings
- Galvanizing sprays and compounds
- Cathodic protection materials

Cleaning & Maintenance Chemicals

- Industrial cleaners and degreasers
- Disinfectants and sanitizers
- Hand cleaning products
- Specialty maintenance chemicals
- Absorbents and spill control materials

Specialty Chemicals

- Welding chemicals (anti-spatter)
- Cutting and tapping fluids
- Mold release agents
- Descaling and desilting chemicals
- Waterproofing and admixtures

Packaging Options

- Bulk drums (20L, 200L)
- Pails and buckets (1L, 5L, 20L)
- Cartridges and tubes
- Aerosol cans
- IBC tanks
- Custom packaging upon request

QUALITY PRODUCTS | TRUSTED BRANDS | COMPETITIVE PRICING | ON-TIME DELIVERY | SUPPORT UNTIL DELIVERY

14

MATERIAL HANDLING & CLEANING SUPPLIES

Storage, handling and cleaning solutions for industrial, commercial and facility applications. Final make, standard, size and quantity are confirmed at quotation stage.

Storage & Racking Systems

- Pallet racks and shelving
- Heavy-duty industrial racks
- Mezzanine systems
- Bins, containers and storage boxes
- Warehouse accessories

Material Handling Equipment

- Forklifts (electric, diesel, LPG)
- Pallet trucks and stackers
- Hand trucks and trolleys
- Conveyors and rollers
- Lift tables and dock equipment

Lifting & Rigging Equipment

- Wire ropes and slings
- Shackles, hooks and turnbuckles
- Chain hoists and lever blocks
- Lifting belts and ratchet straps
- Rigging accessories

Cleaning Equipment & Machinery

- Industrial vacuum cleaners
- Floor scrubbers and polishers
- High-pressure washers
- Wet and dry vacuums
- Cleaning carts and accessories

Cleaning Chemicals & Disinfectants

- General cleaning chemicals
- Disinfectants and sanitizers
- Degreasers and stain removers
- Floor cleaning solutions
- Specialty industrial cleaners

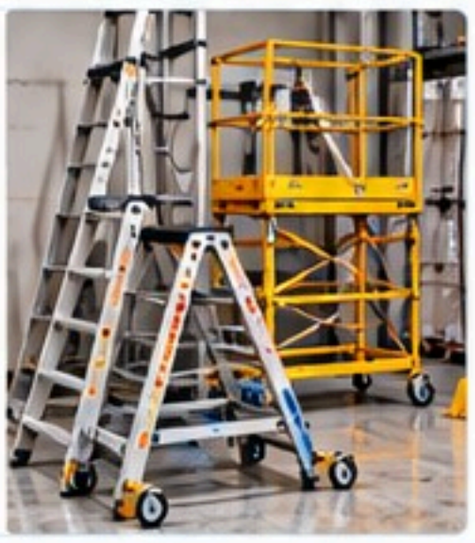

Waste Management Solutions

- Waste bins and containers
- Recycling bins (color coded)
- Industrial trash bags
- Material handling bins and hoppers
- Spill control and absorbents

Ladders, Platforms & Access Equipment

- Aluminum and fiberglass ladders
- Mobile platforms and scaffolds
- Step ladders and extension ladders
- Work platforms and catwalks
- Safety accessories

Janitorial & Facility Supplies

- Mops, brooms and brushes
- Buckets and wringers
- Cleaning cloths and wipes
- Dispensers and paper products
- Facility maintenance consumables

QUALITY COMPONENTS | TRUSTED BRANDS | COMPETITIVE PRICING | ON-TIME DELIVERY | SUPPORT UNTIL DELIVERY

ICE

15

PROJECT SOURCING & SPECIAL SUPPLIES

Custom and project-based procurement support for industrial, construction and infrastructure projects. Final make, standard, size and quantity are confirmed at quotation stage.

Project-Based Sourcing

- Custom procurement support
- Hard-to-find and special items
- International and local sourcing
- Alternative make and equivalent options
- Fast quotation and delivery coordination

Mechanical & Process Equipment

- Pressure vessels and tanks
- Heat exchangers
- Pumps, compressors and blowers
- Mixers, agitators and industrial fans
- Skid-mounted systems

Valves, Fittings & Piping Components

- Gate, globe, ball and check valves
- Special alloys (SS, Duplex, Super Duplex)
- Flanges, gaskets and studs
- Forged and seamless fittings
- Pipes and special piping items

Electrical & Instrumentation Specialties

- MV/LV panels and switchgear
- Transformers and generators (on request)
- Cables and cable accessories
- Instrumentation (pressure, temperature, level, flow)
- Control systems and automation components

Construction Materials & Civil Supplies

- Structural steel sections
- Reinforcement bars and meshes
- Cement, aggregates and admixtures
- Waterproofing and insulation materials
- Formwork and scaffolding supplies

Tools, Equipment & Site Supplies

- Power tools and industrial tools
- Welding and cutting equipment
- Measuring and testing instruments
- Site consumables and hand tools
- Safety and lifting equipment

Import & Custom Supplies

- Brand name and OEM alternatives
- International procurement and logistics
- Technical and commercial coordination
- Documentation and compliance support
- Delivery to site or warehouse

Special Requests

- Non-standard and custom items
- Items based on drawings or specs
- Spare parts and obsolete items
- Small and large quantities
- Dedicated support for project RFQs

QUALITY COMPONENTS | TRUSTED BRANDS | COMPETITIVE PRICING | ON-TIME DELIVERY | SUPPORT UNTIL DELIVERY

16

RFQ PROCESS, COMMERCIAL BASIS & CONTACT

A simple and efficient process to request a quote and work with our team, with clear commercial terms and direct contact details.

1 HOW TO REQUEST A QUOTE (RFQ)

1 — Send Your RFQ
Share your requirements by email with item details, quantities, specifications and any drawings. (Excel list, BOQ or inquiry form)

2 — Our Review
We review your request, confirm specifications and suggest suitable products or alternatives.

3 — Quotation
We provide a competitive quotation with technical details, brand options and delivery terms.

4 — Order Confirmation
Once the quotation is approved, we confirm the order, availability and delivery schedule.

5 — Delivery & Follow Up
We coordinate delivery to your site or designated location and provide continuous support.

2 COMMERCIAL BASIS (TYPICAL)

Pricing	Competitive pricing based on quantity, specification and market availability.
Payment Terms	Cash / Advance / COD / Short credit (as per agreement).
Delivery	Ex-stock items or short lead time from local and international suppliers.
Incoterms	EXW / FCA / FOB / CIF (based on project and destination).
Warranty	Manufacturer warranty where applicable.
Documentation	Commercial invoice, packing list, certificate of origin and any required documents.
Custom Solutions	Non-standard and project-specific items can be sourced upon request.

17

SELECTED PROJECT APPLICATIONS

Typical examples of how our product categories support industrial, construction and facility projects. Final make, standard, size and quantity are confirmed at quotation stage.

Oil & Gas / Petrochemical Projects

- Pipes, valves and fittings
- Industrial materials and consumables
- Safety equipment and PPE
- Electrical and instrumentation items
- Maintenance chemicals and lubricants

Construction & Infrastructure

- Building materials and civil supplies
- Tools and equipment
- Electrical and mechanical supplies
- Waterproofing, sealants and adhesives
- Formwork, scaffolding and access solutions

HVAC & Facility Maintenance

- Chillers, AHUs and FCUs
- Ducting and ventilation components
- Insulation materials
- Filters and IAQ products
- Maintenance supplies and spares

Manufacturing & Industrial Facilities

- Lubricants, oils and greases
- Process and cleaning chemicals
- Hand and power tools
- Safety and maintenance supplies
- MRO consumables and spares

Power & Utilities

- Electrical components and cables
- Transformers and switchgear items
- Earthing and lighting materials
- Measurement and control devices
- Tools and safety equipment

Water & Wastewater

- Pumps, pipes and fittings
- Valves and flow control
- Treatment chemicals
- Filters and membranes
- Maintenance tools and supplies

Commercial Buildings & Real Estate Developments

- HVAC and electrical supplies
- Paints, coatings and sealants
- Facility maintenance products
- Cleaning and janitorial supplies
- General building materials

Airports, Hospitality & Public Facilities

- HVAC and electrical supplies
- Lighting and signage materials
- Cleaning and hygiene products
- Safety and security supplies
- General facility maintenance items
